*Famous worldwide, for its instant folding and compact size,
the Babyzen YOYO has AGAIN RE-DEFINED the term
“CONVENIENCE STROLLER”.....taking it to an entirely new level.*

The YOYO+ is the ONLY Stroller you need....now available from
NEWBORN up to 18kgs.

Yet...still small enough to fit in the overhead compartment of a plane

The new improved frame, fabrics, suspensions and XXL basket also delivers even more comfort and storage options.. while still maintaining the enviable design and colour options that have made YOYO the most sought after stroller for 2015

(Car Seat)***

The new YOYO+ offers:

- YOYO+ is now, more than ever, **THE urban stroller** for parents on the move!
- One handed fold, unfold and driving
- From birth, you can switch from the **0+ newborn nest**, stylish rear-facing stroller, to a **compatible infant car seat**.
- From 6 months, on the same frame, simply change to your **6+ fabrics**

The new YOYO+ additional features:

- **Even more convenient**
 - New car seat adapters*: switch from the car to the YOYO+ with one click!
 - New, under the stroller storage basket: 60% larger
 - New storage pouch on the back of the 6+ canopy
- **Even more comfortable**
 - New suspensions on all four wheels
 - New padded 6+ seat
 - New carry strap
- **Even more protection**
 - New extendable 0+ and 6+ canopies with UPF 50+ sun protection
 - New 0+ and 6+ rain covers, entirely protecting the stroller
- **Even more durable**
 - **New reinforced frame**
 - Certified 18 kg approval
- * Car seat compatible: *Maxi-Cosi Pebble & Pebble Plus, Nuna Infant Car Seat*
